

The Baptist Church of Christ in Deerfield

Considering the Labours and Services of Elder Odes Eddy with and for the Society of S.^d Town, the time he must spend being called to attend Funerals and other Affairs he must necessarily be called from home, & the Expence he must be at in Entertaining Traveling Ministers and other Strangers that would naturally call upon him, we think it our Reasonable duty to bear part of the Expences, ~~for which purpose~~ we have hereunto set our Names with the sums Affixed: there to which we do agree and promise to pay to our Faithfull Elder Odes Eddy, in money or Produce in one Year from the date

Deerfield June 15th 1810
